

The Box Project

New River Conservancy
Protecting the waters, woodlands and wildlife
of the New River Watershed

Your \$100 gift

will build a duck nesting box to be placed along the
New River!

We're teaming up with the New River State Park in
North Carolina to celebrate 40 years of caring for
the River. Celebrate the waterfowl by participating
in our Box Project!

Each nesting box will be noted with your name or
the name you choose on the box.

Here's a great way to honor or remember family
and/or friends!

The New River State Park will erect the boxes and a
map denoting locations will be placed at the New
River State Park and on our website so you can find
the location of your donated box(es).

Our goal is to build 100 boxes!

*Help Us. Donate a box and give a duck a home
to raise a family*
