

To New River Symposium presenters:

In collaboration with Virginia Tech's online repository, [VTechWorks](#), we are collecting presentations, posters, and other materials so that they can be shared and preserved for all who might benefit from them. VTechWorks is indexed in Google Scholar and all search engines, and receives thousands of downloads per day from around the world.

You retain copyright to the materials you deposit in VTechWorks. Virginia Tech asks your permission only to curate and make them available to the world.
